Subject: RE: PG&E Meeting Request - April 7 afternoon

Phil,

Per our discussion, we are not requesting a meeting with Commissioner so we should be okay. We would really appreciate a meeting with staff though and think if we can brief you and Colette that would be great. Thank you for checking on this.

I look forward to working with you.

Best regards,

Jennifer

I am not yet sure what we'll be able to do as Thursday is proving very busy for our office. One question. How is this not an equal time meeting? Looks like a ratesetting case. You indicate you had a hearing. There are multiple parties that were active.
