Hi Jennifer, I can meet from 1 to 1:30 p.m. on Thursday afternoon. Does this work for you? Most other afternoon times are already booked. Another option is very early in the morning..

Look forward to meeting with you.

Phil,

Per our discussion, we are not requesting a meeting with Commissioner so we should be okay. We would really appreciate a meeting with staff though and think if we can brief you and Colette that would be great. Thank you for checking on this.

I look forward to working with you.

Best regards,

Jennifer

I am not yet sure what we'll be able to do as Thursday is proving very busy for our office. One question. How is this not an equal time meeting? Looks like a ratesetting case. You indicate you had a hearing. There are multiple parties that were active.
