Hi Jennifer,

I'm sorry for the slow response. I was out of town longer than planned and have been playing catch up since yesterday. This afternoon has been booked for me for a while. Next Monday at 11 or 3 PM or next Tuesday, all day except 2 to 3 PM. Let me know if any of those times works for you.

Lindsay,

Per our conversation, PG&E and settling parties (TURN, DRA (tentatively) and Calpine (schedule permitting)) are trying to set up a briefing on the Gas Accord Settlement with staff in your office. We are not requesting a meeting with Commissioner Sandoval.

Due to the number of parties and their schedules, we are trying for the afternoon of Thursday April 7. We are hopeful this PD will be voted on at the April 14 meeting. The PD is attached.

So you are aware... I've got a call in to Phil Weismehl, and my secretary, [Redacted], has reached out to your office as well with a formal request. If it is amenable to both offices, we would be happy to do a combined staff briefing with Commissioner Ferron's and Commissioner Sandavol's offices at the same time.

Thanks again for your help. Please let me know if you can accommodate.

Jennifer
