Hi Jennifer,

Sorry, I went straight from meetings to picking up my son at daycare. We can try and connect in the am.

Lindsay,

Are you able to give me a quick call this afternoon. 5 minute conversation. We may not need the meeting.

Hi Jennifer,

I just came back from agenda review and realized that this item has been assigned to Colette Kersten and that she has already met with PG&E on this matter. Do you still want to meet with me?
