Hi Sally,

In the Colvin notice - page 1, 3rd para, "parties were interested in seeing the Settlement approved expeditiously" If there's time to add the "in," great, otherwise not a big deal. It also looks like Pearlie's suggestion to add "the PD" into that sentence didn't make it, but if there's not time to insert, I think the sentence on page 2 saying Kerry highlighted the significant record supporting the PD conveys our support for the PD.

Brown/Murtishaw notice - "Thursday" should be "Friday," and "in" and "the PD" should be inserted as in the above.

Thanks, please call me if you have questions.
