Chistian,

Just give me some dates and I will walk over. My Thursday is pretty clear. Will bring that book: The Big Short for you.

Hi there,

Yes, it has been crazy of late. We should definitely get together soon to touch base. Perhaps at the end of the week for a quick coffee. Hope you had a nice weekend.

Cristhian,

I know things are crazy, but drop me an email or call when you can. Have a copy of The Big Short by Michael Lewis to lend you as we discussed. Given your time at WaMu, I am sure you will really enjoy it.
