**NOTICE OF *EX PARTE* COMMUNICATION  
OF PACIFIC GAS AND ELECTRIC COMPANY**

Pursuant to Rule 8.3(a) of the Commission's Rules of Practice and Procedure, Pacific Gas and Electric Company (PG&E) hereby gives notice of the following ex parte communication. On Tuesday, April 26, 2011, Brian Cherry, Vice President of Regulatory Relations for PG&E, sent a letter and associated attachments by email to Commission President Michael R. Peevey, Commissioners Mark Ferron, Mike Florio, Catherine J.K. Sandoval and Timothy Alan Simon. All parties to the above-referenced proceeding were simultaneously copied on the email and served with the letter and attachments. In addition, hard copies of the letter and attachments were delivered to each of the Commissioners on April 27 at the offices of the California Public Utilities Commission. [(Rule 8.3(a), 8.2(c)(3)]

A copy of the letter and attachments is appended to this Notice as Attachment A. In addition, a copy of the email serving the letter and attachments is appended to this Notice as Attachment B. Please note that, to prevent mass emails from being rejected by the Commission

or other parties, PG&E's Law Department has a standard of sending such emails in small batches. The two emails appended as Attachment B are identical to the numerous emails sent to effect service of the letter and attachments, with the exception of the specific email addressees.

Any questions about this Notice should be directed to Sally Cuaresma at (415) 973-5012 or via email at [a2c7@pge.com](mailto:a2c7@pge.com).

Respectfully submitted,
