Subject: RE: Room for April 26 meeting of Phase 4 working group

Bob,

They can just show up. No need for the names ahead of time.

As an aside - how are the Advice Letters (A 3689-E-A and A 3635-E-A) going that would allow us to bid PDR this summer via Peak Choice?

One attendee at next Tuesday's meeting at PEC asks:

Do I need to RSVP for the meeting at the Energy Center? Does PG&E need a list of names for the guards or a head count?

Please let me know if you need RSVPs and/or a list of names for the guards.

Ken,
I have booked a conference line for this meeting. I will send dial-in details in a few days when we send out an agenda.

Bob,

It will be in the HVAC room at the PEC.
They just need to check in at the security desk.
We will have a Polycom phone as well as a PC and projector.
If you could supply the call in number that would be best. Let us know.

Ken,
Thanks for booking a room for us for 4/26.
Is there a room number I should state when I tell the working group where exactly we will meet on 4/26?
Is there any particular procedure people should be told about how to get admitted to the building, beyond the usual ("sign in at the security desk")?
Also, I think we will want to have a conference phone line. Can PG&E provide the call-in line, or should I see if I can book one of ours for use offsite?
Thanks,

Bob ,

This is to confirm that we have reserved a room at the Pacific Energy Center for April 26th. So we can

have the meeting there.

Subject: Room for April 26 meeting of Phase 4 working group

Ken,

I can't get a meeting room at the PUC for our April 26 meeting. I may be able to find a room at the Hiram Johnson State Building (455 Golden Gate Ave), but I won't know for a few days.

Would you mind checking on availability of a room at, e.g., Pacific Energy Center for 4/26?

Thanks,
