No assistant. I don't need them this morning if you wanted to send them over with folks this afternoon.

I have had copies of the CD burned. I will bring you two copies mid-morning. I will call you when I arrive. If you are not available do you have an assistant that I can call?

Did Bill give those to you in hard copy? I can't find an electronic copy. If so, is tomorrow ok?

Could I get another copy of the hydrotest google maps that were part of the Plan submitted on 4/13?

Thanks.
