Michelle's working with the CPSD people to get the feedback/approval. Should work with her on this.

Paul - we have internal parties who are claiming they can't make the August deadline because the PUC hasn't approved our MAOP validation process. Could we get a letter from you stating that the MAOP examples we provided you earlier (in January and March) are consistent with your directives ? If not, it looks like we will send you guys a letter stating it. I'd prefer not to do that if we could get something in writing from you guys quicker. Thoughts ?
