I left you both voicemails. Happy to come over. I think what we had discussed was comparing notes about what Commissioner Sandoval's concerns were at the Oral Argument, so that we could think through whether and how it might be appropriate to proactively address them. Let me know.

Sure, I don't know what your calendar is like. I'm free now from 2:30-5.

Trina- I let Julie know that we met this morning. Do you still want to get together today?

Michelle, Julie,
I was wondering if the three of us could get together tomorrow morning. That would give me an opportunity to give you the additional discs of the hydrotesting maps which I brought today and meant to give to Julie, and forgot. I was also hoping to calibrate my notes w/ Julie on Commissioner Sandoval's concerns from the OA, and also just get a reality check on the two very different takes that Kirk and I had on the meeting with CPSD today. I could come over any time; morning is better but I will make any

time work. Thoughts?
