I will do so.

Talk to you at nine. Should I set up a call in number for others?

Bill- thanks. For future responses, please copy the address [SanBrunoGasSafety@cpuc.ca.gov](mailto:SanBrunoGasSafety@cpuc.ca.gov) on all official transmittals.

This will ensure everything goes to our whole team without failure. (We implemented this while you were on vacation and I forgot to tell you.)

Thanks.

Michelle

Rich, Julie & Michelle:

Attached is my response to Julie Halligan's April 13 letter to me. I will be sending you a formal copy shortly but wanted to send you this electronic version to expedite things. The letter will include the following attachments.

A spreadsheet that consists of four tabs with the following information:

Tab 1. Hydrotest Schedule

Tab 2. Hydrotest Section List for CPUC

Tab 3. Test Section Segments Information

Tab 4. Chain of custody pipeline samples form

Form H - Direct Examination Data Sheet (to support the discussion of pipeline coating inspection)

PG&E's Chain of Custody Form (to support the discussion of lab testing of pipe cut outs)

Thanks.

Bill
