Tom, as you can imagine, we're all doing our best over here to manage Paul and his volatility. Thank you for your consideration.

That's exactly what I was thinking.

The only "F" word I remember was "Frank," as in "Frank thinks this is a good idea, too!"

We just took out all the f-words Frank inserted, and we were good to go.

Our release will be a statement by Mike:

"I commend PG&E Corporation for their action today. It is the right thing to do and is in the best interest of their customers, particularly given the difficult economic times and the tenuous economic recovery now underway. I am hopeful that this is the first step in a series of pro-consumer actions that will signal a new chapter for PG&E as it works to rebuild trust and confidence with its customers and the general public."

I'll check on scheduling with Mike's office.

We'd issue our release immediately after you release yours. We'll have a near-final draft soon.
