Subject: Nuts & Bolts Meeting

Bill and Sharad- thank you for an excellent meeting.

One additional follow up, as soon as you have names and timing for the portions of the symposium better pinned down, can you send me the next draft? attached is what I have as my current draft (a couple of personal notes at the end so ignore that), there might be some wording changes still to come, but want to make sure we are working off the same version.

Thanks.
