Timothy,  
I spoke with Peter and he plans to travel for two months before returning in July. He said he'd very much enjoy having lunch or dinner with you at that time. Can I ask Peter's assistant to work with your team to schedule a time in July?  
Tom

Thanks. It looks like the Wall Street Journal gave a balanced perspective.

Timothy,  
I'll try to keep this on Peter's calendar. I'll let you know.

Tom, I am in Houston. Got your phone message. Thank you. I would still like that lunch or dinner with Peter if at all possible! One of my favorite sayings, "walk a mile in my moccasins". Peter is a brilliant and fearless corporate leader. His support of GHG reduction as a IOU CEO has placed him in a class of his own! Give him my best!

Regards,
