Subject: RE: Request for all workpapers supporting A.11-03-014

Tom,

I just spoke to [Redacted] the case manager for the application, to ask her about the status of the workpapers. She was working on them when I called and can send the electronic files (with all formulas and internal links active) on Monday, April 4. Bonnie said she does not need a formal DR for this request.

Has DRA assigned a case manager to this application yet? We assume that the application-specific discovery will follow the usual process and DRA's case manager will send DRs to Bonnie. But you can continue to send any SmartMeter DRs that are unrelated to the application or other open dockets to Sid and me.

Karen

Karen,

Please send all workpapers supporting PG&E's AMI opt-out application. Provide excel files, where they exists, with all formulas and internal links active.

Please let us know when we can expect these files. I don't believe a formal DR is required, but let me know ASAP if you need one.

Tom
