So sad. I worked with her quite a bit when I was at SoCalGas and saw her a few years ago at the airport when she was taking her daughter to Hawaii.

Brian, Eric - in case you knew Sandra. I worked a lot with her at the CPUC on gas issues, way back when. She was very sick for a long time. Could you please forward to John Hughes; I don't know his email from my home address and I'm sure he knew her.

It is with much sadness that I am letting you know that Sandra passed away Saturday, April 9, from complications caused by the cancer that she courageously battled for the past five years. She will be missed by her friends and family, especially by our daughter Amanda.
