In order to set new rules for the safe and reliable
operation of natural gas pipelines in California, the CPUC will obtain public input, and
collect
and analyze the data and conclusions from the investigations and reports of the
Sept. 9, 2010, Pacific Gas and Electric Company pipeline rupture in San Bruno.

If

special arrangements are needed for attendees, such as foreign language
interpreters, please contact the CPUC Public Advisor's Office at 866-849-8390
or 415-703-2074, or email public.advisor@cpuc.ca.gov.
