Subject: Re: Japan earthquake & tsunami Supply Chain impacts

Brian, I have had two direct calls from Ron Litzinger briefing me on Songs. The last one was Friday. He tracked me down in DC. He has provided me more supportive information on Diablo safety than PG&E. This is not a criticism. It is just a heads-up. Hope all is well!

Regards,

Timothy - FYI. The impact on PG&E's supply chain is minimal.

Subject: Japan earthquake & tsunami Supply Chain impacts

Officers,

At Headline News this week we gave a brief outline of the impacts on the supply chain of recent events in Japan. Attached is a summary of our assesment.
