Subject: 0000041145 - California Public Utilities Commission Rejection of Filing - A0909013

Your filing, submitted on 4/6/2011 with confirmation number 0000041145, has been rejected by the California Public Utilities Commission for the following reasons:

1. Document is not PDF/A compliant. Rule 1.13(b)(1)(i). Only the first attachment is not PDF/A compliant.
2. Please make the corrections and re-file the document(s) as soon as you are able. If the document deficiencies are cured within seven days, the document will be filed as of the original date it was tendered for filing (Rule 1.14(d)).
3. When you re-file, check the box on Tab 1 labeled Resubmission, and enter the receipt number of the original filing that was rejected. If your filing has been rejected multiple times, list all receipt numbers in Tab 5 in the box for Filer Notes.
4. When you re-submit the document(s), do not change any dates on the document(s).
5. Other: The notice states that both a "cite to PG&E's opening brief (attached) as well as the complete document" was provided to the Decisionmaker. The attachment appears to be incomplete in that it includes only the partial citation and part of the agreement and the notice does not specify what "complete document" was given to the Decisionmaker. Please clarify in your notice to what you are referring. If you are referencing a previously filed document such as PG&E's opening brief, please reference the file date and title of that document in your notice or alternatively attach all the documents that were provided to the Decisionmaker to your notice.
