Subject: Gas Sweep Part 2 Meeting?

Jeanne, Simon,

Now that the gas sweep data request has been submitted and we're in process of preparing the memo for you, it would be a good time to check in. We're not sure if you were planning on issuing a ruling based on the data response or taking another action.

Should we get together in person or phone over the next week to discuss next steps? Thursday afternoon seems to be a generally good time.

Thanks.

Shilpa
