Subject: DAWG -- No meeting May 3, 2011; BUT there will be activity on May 25

DEMAND ANALYSIS WORKING GROUP

Hi DAWG --

And now the announcement you have all been waiting for: In recent subgroup meetings we discussed the possibility of a DAWG meeting on May 3, 2011. I had not formally announced that date for DAWG, beyond discussion in subgroups, because we were considering postponing it.

As was discussed in the DF Pup on March 24, there is a possibility that the schedule for producing the demand forecast (CEC staff forecast) will evolve. This will impact whether

or not we have a DAWG meeting on May 3 since a key activity contemplated for May 3 would have been preview of the forecast.

We have been waiting to hear the outcome regarding the schedule for the preliminary CEC staff forecast. No firm decision yet, but nonetheless, ***we are deciding NOT to hold the May 3 meeting.***

A day to hold on your calendars is May 25. That day is currently scheduled as a public workshop on the preliminary forecast. Even if the forecast schedule evolves, it is likely that a useful public meeting related to the forecast, and therefore the DAWG, will be held on May 25, 2011.

Thank you and have a great weekend.
