Subject: SmartMeter Technology Advisory Panel Meeting

TAP members:

We hope to schedule the next meeting of the SmartMeter™ Technology Advisory Panel in mid-April.
Please supply your availability from April 11 to April 15 so that we can schedule the next session.

We plan to focus on PG&E's recently filed Application for a Customer Choice Proposal, but other topics are also welcome.

Thank you for your input. If you have any questions, please do not hesitate to contact me.

Karen
