Subject: MAOP Validation Methodology Materials

Michelle, attached are the two documents we discussed on Friday relating to the MAOP validation study. I'd be happy to make Sumeet or one of his staff available to you to answer any questions -- even if CPSD doesn't want a briefing -- if that would be helpful for you. Actually, I could probably walk you through it at this point (I've heard the briefing enough times) and then if you want more info we can bring in an engineer. Let me know.
