Subject: FW: PG&E Request for Extension of Time to Implement Time-Varying Pricing Per
D. 10-02-032

Bob/Chris: We have made a request to the ED to get the needed default extensions since the action on the PTM in the timeframe we requested looked unlikely. Dan

Subject: PG&E Request for Extension of Time to Implement Time-Varying Pricing Per D. 10-02-032

Mr. Clanon,

Attached please find PG&E's request for your approval to extend implementation dates for certain non-residential default PDP and mandatory TOU rates, and the new residential PDP rate. Earlier this year, PG&E filed a Petition to Modify D. 10-02-032 (PTM), which approved those rates and set implementation dates. PG&E submits this letter request to you while we wait for Commission action on the PTM.

Copies of this message and the letter request are being served on the parties to A.09-02-022.

Thank you,

Brian Cherry
