Subject: Speier Inquiry

Ms. Kahlon:

In response to your inquiry to Ms. Horner this morning, please see below for a data request response that was provided to CPSD on March 14, 2011. The attached is PG&E's response to CPSD's request based on the March 4, 2011 inquiries from Congresswoman Speier.

Please note that subsequent to providing the attached data responses, PG&E continued to search for and review additional workpapers from its General Rate Cases (see CPUC_096-Q01 response) requesting GPRP funds beginning with the 1987 GRC until the 1999 GRC. PG&E did not find all of the workpapers, but the review of what was found indicated that PG&E did not identify specific GPRP projects in its GRC filed with and accepted by the Commission for review.

Please let us know if you have any questions.

Thank you,
