6/23 is iffy for me. What about 5/26?

Aaron and I may now have
a conflict with June 8th. What's the 23rd look like?

So, Mike, should we give up on you for game #1 (since there aren't any other Weds. games until August) and then hope we can work something out for game #2?

I think wed June 8 is unlikely for me ... I hope to be on vacation that day (and far, far, away from San Francisco, the home of the WORLD CHAMPION Giants).

But of course ... things can change...

All-

Sorry to have dropped off on this for a while. I like the idea of shooting for the 6/8 Weds. game. My suggestion would be to wait to buy tix until a week or two before the game because I'm guessing we'll each have a better idea by then of whether we'll be able to make it (keeping fingers crossed for Mike, even if he is sadly misguided on his **World Champion Giants** beef). Tix are a little harder to come by these days (the only down side of being **World Champs**), but good ones are available via StubHub on the Giants' website, and that works right up to the day of the game. I'm happy to buy them when the timing is right. How's that sound? Robert, you already have one/ two?

tickets, is that right? What section/row?

Can't wait to see those **World Champion** San Francisco Giants!!

I'm good for all of them except the first two weeks in August.

Friday 4/22 is tough for me. Day games look to all be on Wednesdays and

Thursdays, bummer for Mike. Here's the list the next few months:

5/12 Th

5/26 Th

6/8 Wed

6/23 Th

7/4 Mon (but holiday-I'm out of town, I know) 7/20 Wed

8/3 Wed

8/10 Wed

8/31 Wed

So the most immediate options are mostly Thursdays, with more Wed options later in summer. Shall we pick two? Any day but 7/4 looks good

for me at this point. We could pick the 6/8 game and another one in

August, to give Mike the best chance of attending.

Next home game is a Friday night, April 22nd, which works for me. After

that nothing till May, and the first weekday day game is Thursday, May 12th. And they'll be the world champion Giants till someone else wins

the world series, which means for many many more years.

Friday games best for me. Tuesday games also could be good. Thursdays are impossible for the next few months, and Wednesdays are highly iffy.

When will they stop being introduced as the "world champion Giants?"

It's that time. Jeff, Matt and I went to Tuesday's big win against the

Dodgers and I'm inspired to go again soon. Who else is up for a day game?
