Updated for meeting location (Rm 4010) and call-in number. Agenda will be sent out today.

Hi All,

(Inviting ED management folks - Jeanne, Pete, Bruce and Carmen - as FYI / optional attendees.)
I am blocking off 3 hrs for this, but the final schedule will be subject to how the agenda shapes up. It might be shortened or segmented by program so ED staff can come for just their programs.

This is an opportunity for two-way feedback on the May PPM reporting and how the PPM reporting process is going overall. Early ED feedback has already been given to the IOUs. ED expects to send the IOUs a more complete feedback document by next week in advance of the meeting. Any feedback the IOUs can provide in advance is also welcome.

Finally, it would be great if the IOUs could provide ED the consolidated Master PPM Reporting Table with reported 2010 values for each of the 4 IOUs. This was requested at the most recent IOU-ED EE management check-in meeting. If the IOUs could provide that in advance of the meeting, that would be

great!

Best,
Simon
