Subject: RE: Tax Resolution???

Although instead of spending \$400 million this year we will spend only \$200 million because of the uncertainty caused by the all the resolutions. Sad fact just because one person didn't trust our company to do the right thing.

The party should be fun.

All's well that ends well.

On another subject, thanks for including me in the invite to the Foster Roast. That'll be fun.

I don't think you ever responded to my earlier message last week -- or if you did I overlooked it.

Thnx.
