

Electric Energy Storage Workshop
CPUC Headquarters – Golden Gate Room
R10-12-007/AB 2514
June 28, 2011

WORKSHOP THEME

Addressing Barriers to Entry in Electric Energy Storage:
Actions that the CPUC should consider and participation it can conduct at other forums.

The morning will feature presentations from different identified perspectives. The afternoon will feature a facilitated conversation about a staff straw proposal about potential actions. Parties will be able to file post-workshop comments on both the presentations and on the staff straw proposal.

Any party who also wishes to present or share prepared material related to the identified theme may contact Michael Colvin at michael.colvin@cpuc.ca.gov and we will make every attempt to accommodate.
