Subject: RE: Status of July 12 -- No for Comr Florio, Likely Yes for Lawrence Livermore
Lab Guy on Cyber Security for the Electric System

I have not seen anything regarding his presentation yet.

I extrapolated the following from his bio and put it up:
<http://www.eventbrite.com/event/1863057455>

Is this OK as a placeholder description for now?

I need to get an email out today about this so we can start taking RSVP's.

thanks,

Jeff Shelton

Yes. He is confirmed. You should have gotten the other emails on it.

Steve,

Is John Grosh confirmed? Can I get details on his talk ASAP?

thanks,

Jeff

Ladies and Gentlemen of the PANC Board,

We will not have Comr Florio on July 12. I spoke w him this morning, and he was hesitant to commit because of the possibility he would have to withdraw because of potential Sacramento meetings. We are fortunate to have a potential speaker who would think so highly of us at PANC. Anyway, he wishes to speak in the future, and I assured him we would try to schedule him later in the year.

Meantime, with help from Jerry Hallisey and Brian Cherry, it looks like we will have a speaker from Lawrence Livermore Lab who will speak about cyber security of the electric system. We may have John Grosh, who is heading up this area of research. I will know by mid-day on Friday.

-- Steve.

Subject: FW: PANC Minutes for June.

All,

Thanks to Sean for getting these minutes out.

You will see that had no speaker for July. We still do not, as of this writing at 5:10 p.m. on Wednesday.

If I do not get a confirmation from Comr Florio by the time of tomorrow's CPUC Business meeting, we can all go into panic mode. I am still working on it here.

-- Steve.

Hi, Sean. Thanks for getting going on the minutes, and thanks for being thorough. The Department of Water Resources person is Ralph Torres, Deputy Director of the State Water Project. And now that I have looked it up, I will get back to him to reconfirm!

Hi Steve,

I am finishing up the minutes for our last meeting and am now realizing that I did not get the name of the DWR speaker who is confirmed for the September meeting. Could you pass his name along so I could include it in the minutes?

Thanks,

Sean
