I will set that up, on the expectation that Mr. Poschi will not be actively participating at the PHC unless it becomes absolutely necessary for him to speak on the record, consistent with our practice and procedure wherein parties who are represented by counsel "speak" through their counsel, and to limit the burden on the court reporter of trying to transcribe telephonic statements. If Mr. Poschi needs to speak to his counsel, we will go off the record. In order to limit the amount of disruption that this may cause, please consult in advance of the PHC regarding schedule (i.e., dates for service of rebuttal testimony, hearing dates, briefs) and any other matters that you need to communicate with him about.

Dear ALJ Yacknin:

In regards to the July 5<sup>th</sup> Prehearing Conference in I.11-06-010, CPSD respectfully requests that Christopher Poschl, CPSD likely witness in this case, be able to attend via teleconference. CPSD makes this request due to budgetary constraints on travel and the likelihood that the next fiscal year will begin without a finalized state budget. CPSD's legal representative, Jason Reiger, will attend the Prehearing Conference in person. If you grant this request, we would ask that a conference call number and password be provided. If you have any questions or desire more information please do not hesitate to ask.

Sincerely,

Jason Reiger

Counsel of CPSD
