Sounds good; let's chat about and, yes, Commissioners and Commission employees must pay their way and a sit down dinner, with good food and wine is preferred.

Mike - we have reserved the St. Francis Yacht Club for Bruce's farewell party. Right now, we are going through the details of planning for the function including menu selection. They have a buffet and sit down option and we are pursuing the sit down option as the preferred menu. We haven't compiled a guest list yet, but we would probably start with a majority of folks from the Third Friday list, selected members from the energy utilities certain Commission employees (who we may have to charge) and others that you recommend. I need to sit down with Mike Hoover and work through the details. I will also touch base with Bruce to get his input now that he is back. The three utilities have agreed to share the costs of the function honoring Bruce. Over the next month or so, we will work out the details of how we will host it and who will speak. If you have further ideas or comment, let me know.
