Commissioner Mark Ferron

3:40pm –Opening statements from Parties (4 minutes each)

- Investor Owned Utilities (one representative for all IOUs)
- Enernoc/GEP/NAESCO
- Natural Resources Defense Council
- Division of Ratepayer Advocates
- The Utility Reform Network

4:00pm – Questions from Commissioners

1. IOUs: Outline your programmatic activities since January 1, 2010 and briefly explain how adoption of the PD as presented would impact your activities going forward.
2. All: How would adoption of the PD impact participating customers? Where applicable, please distinguish between customers who participated between January 1, 2010 and present, and those who would participate going forward.
3. All: Is the PD in the best interest of ratepayers?

4. All: Do the PD's changes to non-DEER High Impact Measure ex ante assumptions alter any values contained in DEER 2.05? If so, are such changes consistent with D.09-09-047 and D.10-12-054?
5. How does application of the proposed Gross Realization Rate (GRR) of 0.8 impact IOU administration of, and customer participation in, custom projects? Please give an example from both the programmatic level and from the end-use customer perspective.

4:25pm – Closing remarks
