RE: Request for Extension of Time in 2011 Solicitation Schedule per D.11-04-030

Dear Mr. Cherry:

In response to a request by Pacific Gas and Electric Company (PG&E) dated June 3, 2011, I grant the following extensions of time to the 2011 Solicitation Schedule as authorized in Decision 11-04-030 Section 6.1 at 51:

1. The shortlist due date set by the Commission is extended from Day 133 (August 31, 2011) to Day 140 (September 7, 2011); and
2. The due date in which the investor owned utilities are to file, via a Tier 2 advice letter, an (a) Evaluation Criteria and Selection Process Report and (b) Independent Evaluator's Preliminary Report from Day 163 (September 30th) to Day 170 (October 7th).

Because the Commission's intent is for these solicitations to run in parallel to maximize the amount of competition, the extensions granted herein apply to San Diego Gas & Electric Company, and Southern California Edison Company.

Sincerely,

A handwritten signature in cursive script that reads "Paul Clanon".
