As soon as mine is public (today) we already have a process in place to email it to Brian Cherry, Dave Kraski (sp) and Redacted at PG&E.

All -

I'm getting pounded by PG&E for copies of the two OIIs. They are understandably anxious to see them.

When will they be available for the public?

As soon as they are available, can somebody please e-mail them to me, or better yet to Brian Cherry and Tom Bottorff at PG&E?

Thanks.

Frank

We just received both OIIs, but do not know if all 5 commissioners signed off. Waiting on ALJ Process to send the results and the count for how many copies to make as well.

I will be out tomorrow, will have Roscella oversee this request. Once the both OIIs are ready, she will send the link to both.

I think the language regarding item 44 is fine. I don't have a link to the decision. I'm also not sure these decisions are public until their date of issuance or when the Order is mailed (which at least in my case triggers certain procedural deadlines for PG&E).

I'm cc'ing Margie for she may know more about who has a link to the decision and/or if the decision is public yet.

Hello,

We've decided to combine items 44 and 45 into one press release to issue tomorrow. Can you please take a look at the attached draft to see if you have any changes or additions? Also, do you have the link to the final decision online, or do you know who I can ask about that?

Thanks!

Terrie
