You should drop by the PUC and lobby me on San Bruno. The roses look spectacular right now.

So I'm having a bad day, still at work, and stumbled in my emails on my list of future summer baseball games. I thought I'd make myself feel better by seeing if there is another game in our future. June is awful for me, and July there is only the one day game the week of the 4th that is bad (for me, at least), which brings us to August 3, 10 or 31. All Wednesdays. Mike, can you swing it?
