Subject: meeting this afternoon

Brian- I have invited Julie Halligan to join us at the meeting with Jane at 2:30 today. We let the staff know about the issues that you were finding on the class location and Sunil requested that there be an opportunity for the CPSD technical and PG&E technical staff to meet to discuss the problems. Sunil believes this is information that is material to the NTSB investigation and needs to be turned over to them right away. Would it be possible for you guys to arrange to have technical staff available to meet with ours on this issue following the 2:30 meeting? Please let me know ASAP.

Sorry for the last minute on this.

Thanks.
