Thanks for the accommodation. I'll be there as early as possible!

So it looks like we are set for 4PM (as opposed to 2PM, in order to accommodate Fong Wan's schedule). I will send out a calendar notice shortly.

I'm skipping the Energy Principals meeting and will be in SF at the PUC from 2:00 on. I've talked to Ken and, Julie, if you feel that it's better for you to stay in SF for this meeting, you should make that your priority. Let Cliff know what your final decision is, though.

Has the meeting been set yet? I am planning to skip a trip to Sacramento so should be available pretty much any time tomorrow for this. If it's possible to call in to the meeting I was supposed to attend (1-2:30) with Michael Picker, that would be ideal, but not required.

Thanks.

Michael:

I would very much like to attend.

Unfortunately, PG&E's Finance Committee of the Board takes place tomorrow from 2:00 to 3:45. I cannot miss this board meeting.

Can we explore scheduling a meeting starting at 4:00 or 4:30 tomorrow?

Thanks very much!

Fong

Hi all

I am trying to organize a meeting tomorrow afternoon to discuss the RA import issue that has come up between PG&E and SolarReserve. Commissioner Ferron would like to meet with the appropriate folks from Solar Reserve, PG&E, CAISO and relevant CPUC staff tomorrow. This is coming from a call from the Governor's office from over the weekend and apparently some DOE money is in play as well.

Please let me know if 2PM tomorrow (6/14) is a good time. Please forward on to anyone else who should be included that I may have omitted.

Many thanks
