Paul-

Sounds good. I might be down at the PUC late tomorrow. I will give you a call if I get down there.

Thanks John. Moving on to Energy Div in a couple weeks, starting July 1 -- managing retail rate design and some IDSM related work.

Let's get together sometime soon when you're here.

Paul

Peter's phone number is 415-817-8160. His email is pkc1@exchange.pge.com. Megan is now in procurement. Most likely, I will be handling the NDCTP matters in the future. Are you in the Energy Division now? What areas will you be handling?

John,

I'm not sure whether Megan is still managing the NDCTP for PG&E, but I'm just reaching out to see whether you might be able to send me Peter Corrippo's contact information. I'd like to get information about PG&E's next scheduled NDT Committee meetings.

Thanks in advance!

Best,

Paul
