Subject: RE: IOU Workpaper Develop Collaboration Monthly Meeting- June 14, 2011 Meeting information

Hi All,

Perhaps I misunderstood. I thought the utilities were to first circulate a draft agenda. Please see attached my additions to the agenda. Also attached, I've revised the Workpaper Development Collaborative process doc per our last meeting and also incorporated some of SCE's comments. I do ask that we keep this process document simple so that we can commence the collaborative workpaper development process.

Thank you.

Peter
