Tomorrow by 2 p.m. would be great, if that's doable. Thanks!

Hi Terrie, we'll check. I suspect you are right about the hundreds (thousands) of pages submitted Monday.  
Deadline?

Hi Brian and Trina,

A reporter from the Chronicle says that PG&E submitted to the CPUC a statement from [Redacted], a former Western Region director for pipeline safety, which talks unfavorably about PHMSA and its processes.

Do you have any idea what the reporter is talking about and if so, can you send me the document? I'm thinking it may be in the hundreds of pages of documents submitted Monday, but I may be wrong.

Thanks!

Terrie
