Dear Mr. Poschl:

Attached is Pacific Gas and Electric Company's response to Question No. 3 of the above-referenced Data Request. PG&E previously submitted to you its responses to Questions No. 1, 2, 4, and 5. You granted PG&E an extension of time to respond to Question No. 3 and this production timely completes PG&E's response to this Data Request.

A hard copy and a CD of the response including the attachment are being mailed to you and should arrive on June 6, 2011. Due to the size of the attachment, the attachment was not included in the email transmittal.

PG&E is submitting this response, including all accompanying documents, to CPSD as confidential pursuant to California Public Utilities Code Section 583 due to the inclusion of confidential customer data and confidential vendor pricing information.

Please feel free to contact me with any questions or concerns. I can be reached at (415) 973-4977.
