**NOTICE OF EX PARTE COMMUNICATION**

Pursuant to Rules 8.2(c), 8.3, and 8.5 of the Commission's Rules of Practice and Procedure, the Division of Ratepayer Advocates (DRA) gives notice of the following oral *ex parte* communication, which occurred on June 13, 2011 at 1 p.m. in the Commission's San Francisco office. DRA Policy Advisor Cheryl Cox, DRA project coordinator Monisha Gangopadhyay, and Diana Lee of the Commission's Legal Division initiated the communication with Commissioner Mike Florio's advisor Matthew Tisdale. The communication was oral.

DRA explained that the Commission should adopt the Proposed Third Decision of Administrative Law Judge Gamson Addressing the Petition for Modification of Decision (D.) 09-09-047 (PD) with DRA's proposed modifications. DRA noted that while it had supported a more granular gross realization rate that recognized variations among different implementers, programs and utilities, it would be unfair to ratepayers to adopt a gross realization rate of 1.

Respectfully submitted,
