Lighting Action Plan Webinar 6/30/2011 Notice

Attention interested parties in proceedings A.08-07-021 and R.09-11-014:

On Thursday, June 30th, at 1pm PDT the California Public Utilities Commission will be hosting a webinar to introduce the Lighting Action Plan, the near term implementation guide to achieving the goals of the lighting chapter of the [California Energy Efficiency Strategic Plan](#). The lighting chapter was approved in 2010, and includes a target reduction of 60-80% in statewide electrical lighting energy consumption by 2020.

This 30-minute event will include an introduction by CPUC leadership, and will give an overview of the complete Lighting Action Plan, brief progress reports from champions working on plan milestones, and provide an opportunity for Q&A from attendees.
