Subject: R10-12-007: Draft Agenda for 6/28 Workshop

To Parties of Electric Energy Storage Proceeding (R10-12-007):

Attached, please find a draft copy of the agenda for the workshop to happen on Tuesday, June 28th.

Please note: Due to technical constraints, we will not be able to offer this workshop via WebEX. If there is enough demonstrated interest, we will make attempts to offer a listen-only call in number. Please let me know if you would like this option. Unlike the last workshop, we will be housed at the CPUC Headquarters in the GOLDEN GATE ROOM. Please plan accordingly.

We look forward to your participation and to a fruitful discussion.
