Also, the QF restructuring amendments will start at 10:30 in case you are interested in hearing that discussion. The GHG starts at 11:00.

We will also be discussing Cloverleaf at 10:10 but I can fill you in on that later.

Andy,

Call my cell if you have any trouble getting into building or calling in. You shouldn't have any problems as you are on the list with our security but just in case.

Thanks,
Meredith
