Follow-up from Rule 12.1 (b) Settlement Conference in PG&E's 2011 GRC Phase 2

Agricultural Rate Design Settlement

At the conference call held on Friday, May 27, at 1 pm, the attendees agreed to set a tentative call to continue agricultural rate design discussions on Friday, June 3, at 9:30 am. Please let me know if you cannot participate. PG&E noted during the call that all remaining issues would be worked by the parties this week, and hoped that a call as late as Friday would give us a chance to get as much done as possible. Please refer to the conference call-in number below.
