Subject: HVAC IOU-ED Program Check-In Meeting - ED materials attached (1) ED reorg and (2) ED feedback on PPMs

Hi James,

I am looking forward to tomorrow's meeting. Attached are ED materials for discussion: (1) ED reorg and (2) ED feedback on HVAC PPMs. The highlighted cells in the PPM review spreadsheet are for discussion.

Can someone from PG&E print copies of (1) slides 1-7 of the ED reorg presentation and (2) the PPM feedback spreadsheet? Thanks!

Where: PG&E, 245 Market St., S.F., Conf. Room 1401, call-in number is below

Agenda

(I will also send this today inserted into the check-in mtg template)

1. HVAC 2010 PPMs -- two-way feedback; discuss, including some noted inconsistencies

And if time allows:

3. Brief update from Simon on CPUC-Energy Division organizational changes
4. QM Program Development/Launch status -- SCE would show info via a new Online QM Program Briefing Tool (a briefing/transition "binder") that would include the QM Public Workshops summary, among other background and status items

Best,
James
