

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of San Diego Gas &
Electric Company (U 902 E) for Adoption of its Smart
Grid Deployment Plan

Application 11-06-006
(Filed June 6, 2011)

(SCWSSM) SOUTHERN CALIFORNIANS FOR WIRED SOLUTIONS TO SMART METERS REQUEST FOR EXTENSION OF TIME TO FILE RESPONSE/PROTEST TO APPLICATION OF SAN DIEGO GAS & ELECTRIC COMPANY (U 902 E) FOR ADOPTION OF ITS SMART GRID DEPLOYMENT PLAN

Pursuant to California Public Utilities Commission (Commission) Rules of Practice and Procedure Rule 11.6, SCWSSM is seeking an extension of time to file its Response/Protest to the SMART GRID DEPLOYMENT PLAN APPLICATION OF SAN DIEGO GAS & ELECTRIC COMPANY (U 902 E).

This Request for Extension of time to file a response/Protest is timely because it is filed within 30 days of June 6, 2011, the date that SDG&E's Application first appeared in the Daily Calendar.

In the interest of justice and so that ratepayers' valid concerns regarding SDG&E's Application, may be properly prepared and heard in this matter, SCWSSM respectfully requests an extension of time to respond until August 4, 2011.

SCWSSM first appeared in these proceedings 60 days ago, and has not had sufficient time to review and prepare a response/protest to this complex Application with extensive legislative and procedural history. The ratepayers we represent should be given the opportunity and sufficient time to review and process the extensive procedural and legislative history which underpins this Application.

In the interest of justice and fairness SCWSSM respectfully requests this Commission to grant a reasonable extension of time for its lawyers to prepare its Response/Protest to this Application.

Respectfully submitted,

SCWSSM Request for Party Status in A.11-06-006
